

How to add a student

July 18, 2026 version 1.0

1. Login to your account

The image shows a login interface for SkillCount. At the top, there is a logo with a pencil icon and the text "SkillCount" and "NAPLAN-aligned practice for Australian students". Below this, a white rounded rectangle contains the text "Welcome Back" and "Sign in to your account to continue". There are two input fields: "Email" with the placeholder "you@example.com" and "Password" with the placeholder "Enter your password". A blue "Sign In" button is below the password field. Below the button is a horizontal line with "OR" in the center. Underneath is a "Continue with Google" button with the Google logo. At the bottom, there are three links: "Don't have an account? Sign Up", "Forgot your password? Reset it", and "Child/Student? Login here" with a person icon.

+ Add Child

Quick Tip
Regular practice helps build confidence and skills.

3

3. Enter the child's details of the student

Full name, Username, Year and PIN and click on “Add Student”

The screenshot shows the SkillCount interface for adding a new student. The left sidebar contains links to Dashboard, Students, Assign Tests, Reports, and Subscription. The main content area is titled 'Students' and includes a sub-header 'Manage your children's profiles.' Below this is a form titled '+ Add a New Student'. The form has four input fields: 'Full Name' (containing 'Nathan'), 'Year Level' (a dropdown menu showing 'Year 5'), 'Username (for login)' (containing 'snathan'), and 'PIN (4-6 digits)' (containing '123456'). A blue 'Add Student' button is at the bottom right of the form. Below the form, a green message states 'Student added successfully! View profile →'. At the bottom of the page, there is a 'Quick Tip' box that says 'Regular practice helps build confidence and skills.' The user's name 'Sarah Johnson' is visible in the top right corner.
